

**REMARKS**

The Applicants respectfully request that the foregoing amendments be made prior to examination of the present Application.

In the Specification, paragraphs 0001 and 0002 have been amended by providing replacement paragraphs 0001 and 0002 to reflect that the present Application is a continuation in part application that claims the benefit of priority of U.S. Application Serial No. 10/223,760, filed August 19, 2002, which claims the benefit of priority of U.S. Provisional Application No. 60/314,196, filed August 22, 2001; and U.S. Patent Application Serial No. 10/222,767, titled "Refrigeration System" filed August 17, 2002, which claims the benefit of priority of U.S. Provisional Application No. 60/351,265 filed on January 23, 2002 and U.S. Provisional Application No. 60/314,196, filed August 22, 2001.

The Applicants expressly withdraw any and all claim amendments and remarks (including remarks directed to or about any cited reference) and other statements made in connection with Application Nos. 10/223,760 and 10/222,767, or in connection with any related application. The Applicants do not intend any prior claim amendment or remark or statement in Application Nos. 10/223,760 and 10/222,767 or any related application to have any effect on the prosecution or scope of any claim in the present Application.

The Examiner is invited to contact the undersigned by telephone if the Examiner believes that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,
